THE STATE OF NEW HAMPSHIRE

TOWN WARRANT 1979

To the inhabitants of the Town of Fitzwilliam, in the County of Cheshire, in said state, qualified to vote in town affairs, you are hereby notified to meet at the Town Hall in said Fitzwilliam on Tuesday, the thirteenth day of March next at seven (7:00) o'clock in the afternoon to act on the following subjects:

ARTICLE 1. to bring in your votes for the election of one Selectman for three years, one Fireward for three years, one Trustee of Trust Funds for three years, one Trustee of Library for three years, one Cemetery Commissioner for three years, three Commissioners of Plante Memorial Park for one year, two members of the Budget Committee for three years, two members of the Planning Board for one year, two members of the Planning Board for two years, and two members of the Planning Board for three years.

Polls will be open not later than 2:00 p.m. and close not earlier than 7:00 p.m., or at such later time as shall be authorized by vote of the town.

ARTICLE 2. to hear and act upon the reports of agents, committees and officers heretofore chosen.

ARTICLE 3. to see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

ARTICLE 4. to see if the town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 and the Anti-Recession Act of 1976 for use as set-offs against budgeted appropriations for the following priority purposes in the amounts indicated, or take any other action thereon:

APPROPRIATION	AMOUNTS
Highway Department	$12,250.00
Police Department	$ 5,000.00
Fire Department	$ 5,000.00
Total	$22,250.00

ARTICLE 5. to see if the town will vote to raise and appropriate the sum of $5,000.00 for paving the Lower Troy Road, or take any action thereon.

ARTICLE 6. to see if the town will vote to raise and appropriate the sum of $3,000.00 for the purpose of providing water at the new highway garage building, or take any action thereon.

ARTICLE 7. to see if the town will vote to raise and appropriate the sum of $10,000.00 for the crushing of gravel, or take any action thereon.

ARTICLE 8. to see if the town will vote to raise and appropriate the sum of $35,000.00 for the reconstruction of the East Lake Road, such appropriation to be financed by the withdrawal of $3,264.17 plus

accrued interest from the so called dump site fund, now in the general fund, the use of TRA funds in the amount of $1,073.92, state highway assistance in the amount of $7,159.49, and 1979 Highway Subsidy Funds I and II in the amount of $23,383.46, or take any action thereon.

ARTICLE 9. to see if the town will vote to raise and appropriate the sum of $3,000.00 to be placed in a capital reserve fund for the purpose of purchasing equipment for the fire department, or take any action thereon.

ARTICLE 10. to see if the town will vote to raise and appropriate the sum of $1,600.00 for the support of the Meadowood County Area Fire Department, or take any action thereto.

ARTICLE 11. to see if the town will vote to raise and appropriate the sum of $2,000.00 for the purpose of cleaning and refurbishing of water holes for the use of the fire department, or take any action thereto.

ARTICLE 12. to see if the town will vote to raise and appropriate the sum of $2,000.00 to be added to the capital reserve fund for the reassessment of property passed under Article 13 of the 1978 annual meeting of the town, and to authorize the Board of Selectmen to withdraw said capital reserve fund plus any accrued interest therein, for the purpose of contracting with the appraisal division of the New Hampshire Department of Revenue Administration or other approved appraisal firm to reassess the property of the town, with the remainder of the cost for such reappraisal work to be appropriated in 1980, or take any action thereon.

ARTICLE 13. to see if the town will vote to raise and appropriate the sum of $5,500.00 to create a capital reserve fund for the purpose of having a soil overlay map of the town made by the Cheshire Soil Conservation Agency, or take any action thereon.

ARTICLE 14. to see if the town will vote to raise and appropriate the sum of $5,000.00 for the purpose of purchasing a compactor at the solid waste disposal area, or take any action thereon.

ARTICLE 15. to hear the report of the budget committee and pass any vote in relation thereto.

ARTICLE 16. to see if the town will vote to instruct the moderator to appoint the members of the budget committee as a committee to solicit bids for the purchase of a compactor, or take any action thereon.

ARTICLE 17. to see if the town will vote to combine the office of Tax Collector and Town Clerk, or take any action thereon.

ARTICLE 18. to see if the town will vote to have the street light reinstalled on pole 21, near the Baldwin residence on Depot Road, or take any action thereon (by petition).

ARTICLE 19. to see if the town will vote to discontinue the practice of printing the trust fund reports in the Annual Town Report, or take any action thereon.

ARTICLE 20. to see if the town will vote to authorize the

budget committe to serve as a committee to study the highway department, or take any action thereon.

ARTICLE 21. Be it resolved by the Town of Fitzwilliam that the New Hampshire Housing Commission be and is authorized to operate in the Town of Fitzwilliam, in said State of New Hampshire, that said New Hampshire Housing Commission is authorized to sponsor a project for elderly/low income persons under Section 8 of the U. S. Housing Act of 1937 as amended, for the following accommodations: existing standard housing 15 dwelling units.

Given under our hands and seals this 26th day of February, in the year of our Lord, nineteen hundred and seventy-nine.

TOWN CLERK

SELECTMENS' REPORT

The Board of Selectmen are pleased to present the following report for the past year with some observations for the coming year.

TOWN HALL

The exterior of the building, as well as the Police and Fire station building, was painted two coats. Minor repairs were also made on the roof of Town Hall. Some of the support timbers on the front side of the base of the steeple were found to be badly rotted. Sections were replaced with new wood and re-inforced with steel rods and braces. All of the old plaster and lath were removed from the ceiling in the Lower Hall and a new plaster ceiling installed. A small amount of electrical wiring was done to correct a problem with the heating system and it is hoped that the other needed electrial work can be done this year. The balance of the funds appropriated last year are now in the general fund and should be sufficient to do most of the work planned and underway.

HIGHWAYS

Aside from the regular maintenance of roads the special projects, for which funds were appropriated last year, were nearly completed. The Lower Troy Road project did cost more than the origianl estimate and the final wearing surface did not come out well due to poor timing and the weather conditions at the time. The remedy seems to be a hot-mix paving job. This is estimated to cost $5,000. and the money is included in the warrant for this meeting. West Lake Road was partially rebuilt and the balance of the appropriation will be used to finish the work. The East Lake Road is being surveyed and it is estimated that will cost between $60,000. and $70,000. The Selectmen now recommend that this be a two year project. The excavation and base fill work to be done starting after Labor Day and the finish work to be done by July 1, 1980. TRA and Highway Subsidy Funds should nearly cover the cost of the project.

SOLID WASTE DISPOSAL

The present system seems to be working well and the co-operation of the public is appreciated. The cost is still too high for a small town and about the only way it can be reduced is by the willingness of the residents to take part in a voluntary re-cycling project. The Board of Selecmen has signified the intention of the town to join with other towns in the area in support the Southwestern N.H. Regional Planning Commission in its efforts to find a more permanent solution to the problem.

HIGHWAY GARAGE

On August 23, 1978 the Board of Selectmen entered into a contract with the Baybutt Construction Corp. of Keene, N.H. for the erection of a highway garage building. The company to do the foundation work and erect a 40'X60' steel Armco structure for a contract price of $66,798.00. This to include heating units, office space and toilet facilities. The town to do site preparation work, a sewage disposal system and provide a water supply. At this writing the building is 98% complete and the sewage system has been installed. Arrangements have been made for drilling a well.

REAPPRAISALS OF PROPERTY

As indicated in the Selectmen's report last year an article has been placed in this years warrant to authorize the Board to contract with the Appraisal Division of the N.H. Department of Revenue Administration, or other approved firm or company, to have all the property of the town re-appraised. The last such appraisal was done in 1966. The sum of $2,000. has been included in the budget to be added to the amount presently in the Capital Reserve Fund to have the work done (in 1980 if possible.) An additional appropriation will

be needed in 1980 but the exact amount will not be known until the Board has contracted with the party to do the work.

GROWTH OF THE TOWN

Elsewhere in the report is a list of the property transfers which has taken place during the past year. This is evidence of the many changes that are taking place in the make-up of our town's populace. During the past year building permits were issued for 16 single family homes. This includes 3 mobile homes. There were also 28 permits issued for garages, additions and alterations.

ELDERLY/LOW INCOME HOUSING

At the suggestion of the New Hampshire Housing Commission an Article has been placed in the warrant to authorize the Commission to operate in the Town of Fitzwilliam. The Commission administers the major federal program for rental assistance, the Section 8 program of HUD. Under Section 8, a eligible low or moderate income household pays a quarter of income towards the rent and the Commission provides a payment to the landlord for the balance. For example, an elderly household with $200. a month income for Social Security would pay $50. toward rent, the Commission provides the balance as a "housing assistance payment". HUD will restrict the amount of elderly assistance that is available to the community if both family and elderly assistance is authorized. Elderly assistance would apply to those over 62 years of age and family assistance would apply to those families with an income below $6,500. for single person and $9,500. for a married couple.

AUDIT

One item in the Budget which has increased substantially during the last few years is the audit of the Town accounts by the Municipal Division of N.H. Dept. of Revenue Administration. It is required that Revenue Sharing Funds be audited by the State every three years, so the Board of Selectmen recommend that local auditors be employed to audit the town accounts for the next two years.

Once again the Board urges all property owners to fill out in detail the Property Inventory forms which are mailed to all property owners each year. These become an important record of the town and are used to update the records in the Selectmen's office. The Board extends its appreciation to the other officers of the town for their co-operation and to the members of the other boards and commissions for their willingness to take part in the governmental process, without which the town could not function.

FITZWILLIAM PLANNING BOARD
1978

During the year 1978 the Planning Board considered 16 requests for sub-divisions. Eleven requests were approved, one was denied and the remaining four will be pursued in 1979.

The need for a Master Plan for the future has a high priority in the opinion of the Board. Accordingly, citizens who are willing to give some time to this important project are being sought.

As an example of a need for a Master Plan, in October 1978 a potential developer came before the Planning Board to get the members' reaction to a proposal to build 200 condominiums. stick built on slabs, each unit to house two families in the retirement age bracket. This cluster housing was proposed for the former Woodbrook Camp - 100 acres + - in the Sip Pond area. The Board's first reaction was the impact of an addition of 400 people on our Town of 1600+, economic, political and social. The feeling is that Fitzwilliam is in no way equipped for such an influx. The subject was thoroughly explored with the Southwestern New Hampshire Regional Planning Commission from angles of the land and it's ability to handle the pollution which would ensue from such a project, the layout of roads and the services that would eventually be required of the Town. All of these points served to reaffirm the Board's initial reaction that such a development would not be good for the Town.

After a public hearing held on June 5, 1978 the following driveway requirements were added to the Fitzwilliam Subdivision Regulations:

> Driveway entrances to Class II and Class V and VI highways within the town shall be logically related to the topography so as to produce reasonable grades and safe intersections. It shall be unlawful to excavate or disturb the shoulders, ditches, embankments or the surface improved for travel of any roads without written permission from the selectment and highway agent of the Town. Driveway application forms may be obtained from the Board of Selectmen or Road Agent with work to be done in accordance with specifications.

Respectfully submitted,

Frederick W. Regan, Chmn.
PLANNING BOARD

FIREWARDS REPORT

1978 CALLS

The Fitzwilliam Fire Department responded to 108 calls in the period from December 1, 1977 through November 30, 1978. This compares with 121 calls in 1977, 90 calls in 1976, and 70 calls in 1975. The 1978 calls included 63 medical emergencies, 4 automobile accidents, 5 house or structure fires, 7 vehicle fires, 10 brush fires, 3 chimney fires, 8 mutual aid calls, 8 miscellaneous calls including smoke investigations and 1 search.

NEW VEHICLE

The contract signed with Continental Fire Trucks, Inc. of Hopkinton, Massachusetts in August of 1977 was completed with the delivery to the firewards of a 1978 Ford Louisville chassis with a 750 gallon per minute front mounted pump and 1,000 gallon tank on December 2, 1978. Although the delivery of the new truck was several months behind schedule, the firewards are pleased with the workmanship on the truck and feel, that with good care, it will give many years of service to the town.

VEHICLE ROSTER

The following is a list of the fire department vehicles:

1. 1936 Stewart - equipped and used for brush and forestry purposes - to be retired in 1979 when the new forestry truck is placed in service. Condition: fair.

2. 1954 Ford Hose Reel-pumper with 500 gallon per minute front end pump, 500 gallons of water and 1700 feet of large diameter hose. Condition: good.

3. 1956 GMC 1200 gallon tanker, with 500 gallon per minute rear mount pump. This is an all-wheel drive vehicle donated by the Forestry Department. A major renovation of the tank and pump are presently being performed on this vehicle and it is expected to be back in service in the near future. Condition: good.

4. 1965 International pumper, with 750 gallon per minute midship pump and 750 gallons of water. With the delivery of the new first line pumper, the firewards hope to pull this vehicle out of service for rust removal and repainting work. Condition: good.

5. 1967 Jeep 1 1/4 ton all-wheel drive pickup truck. It is hoped that this truck will be equipped and in service for forestry and brush work during the present year. Condition: good.

6. 1977 Chevrolet one-ton rescue truck with emergency first aid and auto extrication equipment. Condition: excellent.

7. 1978 Ford pumper with 750 per gallon front end pump and 1,000 gallons of water. Condition: excellent.

MEADOWOOD COUNTY AREA DEPARTMENT

Again this year the budget committee has recommended $1,600 to support the Meadowood membership in its operation. We recommend your support of this appropriation in 1979. The firewards feel that the town has and continues to benefit greatly from the services and equipment offered by Meadowood.

Last year, we extended our congratulations to Meadowood in its twenty-fifth year, and for the purchase of the "Jaws of Life" rescue tool. At that time we reported that Meadowood was looking for a replacement to its 1956 Ford ladder truck chassis. This replacement was secured in the form of a 1978 GMC C-6500 series (Diesel) chassis in the summer of 1978. The ladder body has been adapted to the new truck, and the new truck is in service, largely as a result of volunteer help from the Meadowood membership and "friends" of Meadowood.

This year, in its effort to continue to offer services not generally available to all fire departments, Meadowood will most likely be looking to replace its compressor, which is used to fill Scott Air Pack bottles. Whether it is for this project, or some other project, we ask your continued support for the annual appeals for the supporting membership fund which goes towards replacement of capital items.

We also invite the townspeople to visit Meadowood's own fire school, which this year is scheduled for May 19 and May 20, and for the annual New Hampshire Fire Chiefs Club sponsored fire school at Meadowood in September.

TROY EMERGENCY AND AMBULANCE SERVICE

As in the past we remind you that your basic ambulance service is provided without charge by the Troy Emergency and Ambulance Service (TEASI). We encourage your support for TEASI'S money-raising efforts, for the services rendered to Fitzwilliam.

RESCUE WORK

In reviewing the list of calls for 1978 you will see an ever increasing number of medical emergency and/or automobile accident calls. Last year they comprised 62% of the total calls. The firewards wish to thank the firemen and other rescue personnel who respond so faithfully to these calls. Although members of the Fitzwilliam Fire Department are paid (the minimum wage) for responses to fire calls, all medical emergency and vehicle accident calls are at no charge to the town.

TROY EMERGENCY AMBULANCE SERVICE, INC.

To the Citizens of Fitzwilliam:

Once again it is time to take a few moments of your time and bring you up to date on the progress of your ambulance.

April of 1979 will close our fourth year of service to you. I feel that it has been a very trying but successful four years for a very dedicated group of volunteers. We have gained confidence, experience, talent, and maturity in our short history. We have kept our promises to you by always being there when needed. In order to do this, a brief look behind the curtain is necessary. Education is a must - and each individual member is responsible for keeping an up-to-date education. Dedication is a must - for only a true desire to help others is the reward. Co-operation and meetings is a must - as only thru talking and understanding comes success, and finally, last but not least, you the people, are a must - for without your faith and support,your ambulance would not be in existance.

We are nearing the 600 mark in free, volunteer calls and most of these were answered in less than three minutes, in rain, snow and freezing weather conditions. Our service is available 24 hours a day, seven days a week.

Our future consists of continuing our free service to you on the same "tax-free dollar" basis and to start a goal towards replacing equipment and eventually, a new ambulance.

My sincere thanks as President of this group, goes to each member who has donated so much of their life to this corporation and to each of the citizens of the town who have willingly donated to help support us. Here, too, I would like to thank the men at Mutual Aid for their fine work in the co-ordination of a splendid network.

We of T.E.A.S.I. wish all of you a healthy and successful year. Remember-we are only moments away and you may reach us by dialing 352-1100.

Ray Woods, President

FITZWILLIAM POLICE DEPARTMENT
REPORT FOR 1978

The year 1978 marked the first year where the Police Department has employed three full time officers. Research the previous year indicated the Town wished to increase Police activity, and this was supported at Town Meeting.

By no means has the Town become over policed, nor have the police run out of things to do. My proposal of last year for the third full time officer was based on estimates, experience has since affirmed my original position.

The Budget Committee's recommendation for this year of $41,000. will require the reduction of Police activity by a significant degree. It is impossible to operate at the present level with the amount recommended. In order to live within the recommendation, a layoff and the subsequent reduction of service will become necessary. The department proposed approximately $47, 500. which did not provide for growth. When times are bad, crime is bad; this and the Town's needs should be considered in making an intelligent decision concerning the Police Department's future.

Generally speaking. crime has leveled off in Fitzwilliam, with the most common being property crimes, the most preventable. The most effective crime prevention device is the telephone. Please report suspicious or unusual activity, it just may be for real.

Eight traffic accidents resulted in injuries to occupants, and one resident died in an alcohol related accident. This is our most serious crime, people die because they don't obey the rules.

I have dispensed with the list of statistics in this report. If you wish detailed data of the year's activities, please contact our office.

LIBRARIAN'S REPORT 1978

Library circulation in 1978 totaled 9772. We acquired 284 new books and 55 old books were discarded during the year.

In addition as a result of a Fund in Memory of Fred Mills, a former Fitzwilliam resident, we acquired a new World Book Encyclopedia for Juniors, which enables us to check out for home use the old 1965 World Book. This also entailed re-organization of the shelving in the Junior room, a job done primarily by volunteer workers.

Memorials to Katharine Whitcomb added 12 inspirational books to our collection.

The Friends of the Fitzwilliam Town Library continue to pay for all the adult fiction we purchase as well as conducting a sale of discarded books, the proceeds of which are contributed to purchase children's books.

Several additional books on American History were acquired from the Bi-Centennial Fund.

Continued work by volunteers was used to re-organize back issues of valuable magazines, add materials to the vertical file and catalogue reference books in the Marguerite Davis Room.

Violet Lundsted has been an inestimable substitute throughout the year.

The Library Trustees have had the building painted and the roof repaired, a tremendous contribution to the appearance of the Common.

As Librarian I attended several meetings of the District Advisory Council where discussions centered on the contemplated re-organization of the State's services to local libraries. I also completed a fifth course in the Library Development Program covering Reference Materials, a 12-week course given at Keene State College by the Assistant State Librarian, Joan Blanchard.

At the end of the year I regretfully submitted my resignation in order to have time to assist my husband in his pending study project. Paula Baldwin who has been Assistant Librarian for the past two years will take over all the Librarian's duties with, I am sure, great competence.

Respectfully submitted,

Mary Thompson, LIBRARIAN

THE FITZWILLIAM BUDGET COMMITTEE REPORT

The Budget Committee has, each year, submitted to the town meeting a recommended budget for the town. This year, in addition to the Budget, we wish to report our recommendations and call your attention to the areas where we feel improvements can be made; several of these areas are covered in articles which have been inserted on the Warrant by the Selectmen at our request. The following list of recommendations cover what we feel are some of the important issues at this time.

1. The Budget Committee is recommending that the town consider combining the offices of Town Clerk and Tax Collector into one full-time position. At the present time, these positions are compensated primarily by a system of fees and/or percentage of tax dollars collected. This cost has risen steadily to the point whereby combining the jobs, the total is sufficient to hire a full-time person. This move would have advantages in terms of service to the public and a slowdown in the escalation of costs by placing the person in a salaried position subject to annual increases based on merit and cost of living.

2. The Budget Committee is greatly concerned over the high cost of our community solid waste, and we feel that this is an area where continued efforts must be made to reduce costs. The Committee feels strongly enough about this that we have volunteered to work as a committee in an effort toward reducing costs.

3. The Budget Committee believes that long range planning in our various town agencies is necessary if over the years we are going to maximize service and minimize cost, primarily those which are responsible for the biggest portion of our town budget -- Highway, Police, and Fire. We are particularly concerned with Highway since this is by and large the most expensive department tax dollarwise. There are several vital questions which must be answered starting with how the department will be organized, staffed and equipped. The Budget Committee has offered to serve as a committee to review, study, and bring recommendations back to next year's town meeting. We are concerned with funds required for the purposes of expanding and replacing equipment.

4. The Budget Committee is acutely aware of the greatly increased costs of insurance protection. This past year, the Board of Selectmen has taken positive steps in cutting costs by investigating changes in workmen's compensation. We recommend that an evaluation of our entire insurance program be done by someone thoroughly familiar with municipal insurance requirements.

5. The Budget Committee has recommended the appropriation of $10,000. for crushing gravel for town roads. We recommend that alternate sources be looked for and we feel that open bidding might result in reduced costs. We also feel that an investigation should be done to determine the availability of gravel on town-owned property or the feasibility of the town purchasing property for this purpose.

6. The Budget Committee has recommended that $2,000. be placed in the capital reserve fund for the re-assessing of property in Fitzwilliam. We are recommending that a study be done to determine what would be the best way, the fairest way, and the most economical way of approaching any future re-assessment.

The Budget Committee recognizes that these areas above constitute only a few areas where savings in tax dollars can be made. We urge all town agencies

during 1979 to take a strong look at their operation and expenses and make every effort to achieve maximum cost effectiveness. It is only through this effort that we, as a Town, can maximize our services at a price we can afford. The Budget Committee would like to extend our appreciation to those who have met with us during the budgeting process this year, and we look forward to working with you during 1979.
